## The Feast of the Transfiguration God's Divine Attributes

Today's Feast of the Transfiguration is rather mind boggling. Jesus took his disciples on a hike up a mountain and turned it into a journey they would never forget. They fell to their knees in awe, for "he was transfigured before them; his face shone like the sun and his clothes became white as light." And their lives were never the same because they had been shown without a shadow of doubt that Jesus was the true God.

The Church helps us unravel this divine appointment by explaining God's attributes. God is Infinite: He is not confined by time or space. God is Unity: He is the one, true God and there is no other. God is Simple: He is not composed of any physical or metaphysical parts; He simply is. God is Divine: He is the creator and sustainer of all being. God is Eternal: He always was, always is, and always will be. God is Omnipresent: He is not confined by any temporal limitations; He is everywhere. God is Immutable: He is incapable of any type of change; Since he is perfection itself, He cannot change. God possesses Divine Knowledge, Intellect and Will: He knows all things, understands all things and orchestrates all things according to his divine plan.

After being reminded of Who and What God is, how can we do anything but respond in awe and wonder? Let us listen to God's message today, allow ourselves to be moved by it, and respond in faith to our great and loving God.

## La Fiesta de la Transfiguración Los atributos divinos de Dios

La Fiesta de la Transfiguración de hoy es bastante alucinante. Jesús llevó a sus discípulos de paseo a una montaña y lo convirtió en un viaje que nunca olvidarían. Se cayeron de rodillas con asombro porque "se transfiguró en su presencia: su rostro se puso resplandeciente como el sol y sus vestiduras se volvieron blancas como la nieve". Y sus vidas nunca fueron las mismas porque se les había mostrado sin dejar lugar a duda que Jesús era el Dios verdadero.

La Iglesia nos ayuda a entender mejor esta cita divina al explicar los atributos de Dios. Dios es Infinito: no está limitado por el tiempo ni el espacio. Dios es Unidad: Es el único Dios verdadero y no hay otro. Dios es Simple: no está compuesto de ninguna parte física o metafísica; Simplemente es. Dios es Divino: Es el creador y sustentador de todo ser. Dios es eterno: siempre fue, siempre es y siempre será. Dios es Omnipresente: no está confinado por ninguna limitación temporal; Está en todos lados. Dios es Inmutable: Es incapaz de cualquier tipo de cambio; Puesto que es la perfección misma, no puede cambiar. Dios posee Conocimiento, Intelecto y Voluntad Divinos: Conoce todas las cosas, entiende todas las cosas y conduce todas las cosas de acuerdo a su plan divino.

Después de recordar quién y qué es Dios, ¿qué podemos hacer sino responder con asombro? Que escuchemos este mensaje hoy, nos dejamos conmover por él y respondamos con fe en nuestro gran y amoroso Dios.
